

ALLIANCE HOCKEY

Championship Series Officials Procedure

January 8, 2015

11.5 Assignment of Officials for Play-down Finals

.1 During ALLIANCE Hockey Play-down Finals Championship Series Referees will be assigned out of the ALLIANCE Hockey Office. Zone Co-ordinators will present their best Officials based on supervisions over the course of the season and those Officials will be assigned by the ALLIANCE Hockey Office. This procedure will be used for Representative AAA and Seeded Hockey.

At the Minor Midget AAA level, Zone Co-ordinators will work with the local assignor to schedule linesman, similar to what we are doing at Midget AAA. All other levels Midget Seeded, Bantam AAA and below linesman will be assigned out of the office. Timekeepers will remain the responsibility of the local association.

Referee Playoff Convener – Chad Houben (ALLIANCE Hockey Office)

- Cell Phone (519) 801-8372
- Facsimile (519) 273-2114
- Office Phone (519) 273-7209
- E-mail chouben@alliancehockey.com

Centres/Ice Schedulers are to fax or email a completed copy of the series Contract to the Referee Playoff Convener at least two days before the first game. Prior to sending the first contract, please email the Convener with the name and contact information (email, fax and all relevant telephone numbers) of the person in your organization who will be sending the contracts to him. Please also provide a back-up contact person in your organization.

Once the contract is received Play-off Convener will schedule the officials and forward the name of officials and centre of which they will be travelling from to the ice-scheduler.

Cancellation of any game whether due to inclement weather or end of series is to be communicated to the Convener by telephone, as soon as possible once a decision to cancel has been made or a series had ended. (Note: we do not want to send referees out of town if they are not required, especially during poor weather conditions.) Centres shall be liable for the cost of officials in cases where games are cancelled without sufficient notice to the Convener.

In the case of Pee Wee Hockey at the AAA and Seeded level all games must be the three-man officiating system.

Payment of Officials

Referee's will not receive cash at games but will be paid by ALLIANCE Hockey Office for both mileage and game assignments on at the completion of each series (two weeks). Associations will be billed at the completion of the Championship series in early April identifying both a break-down of game fees and mileage.

Thank you for your cooperation and good luck!
